

WELCHE'S WHISKY

SINGLE MALT TOURBÉ

REGION: ALSACE, FRANCE | AGE: NAS | ABV: 46%

An intriguing rarity from Alsace in France, Welche's whisky uses only ingredients from its home region and is distilled for between 4 and 5 years in Sauternes casks. As a result, it's a young & lively expression with a smoky profile, rich fruity notes, and a sweet citrus finish.

PROPERTIES

type: single malt
 casking: sauternes casks
 finish: n/a
